```
graph BT; A["/home/arnaud/programmation/sfml/sfgui/main.cpp"] --> B["/home/arnaud/programmation/sfml/sfgui/textedit.hpp"]; C["/home/arnaud/programmation/sfml/sfgui/textedit.cpp"] --> B;
```

A diagram showing three file paths in boxes. The top box, with a gray background, contains the header file path. Below it are two white boxes containing source file paths. Blue arrows point from each source file box up to the header file box, indicating that both source files include the header.
